High tension line, step down
Jeanette Fletcher is strange
but not in a horrible way
And Michelle Spencer is this
tight
Come and hear her today
And see 40-year olds in
multicoloured shirts
It never used to concern me
But now it's making me say
High tension line, step
down
Buying houses and doing them up
far far away
Got at my shoulder
cdti and behind me
tdk
You have to go far for the simple
and unadorned
And please excuse my words,
wandering
High tension line, step
down
At my feet
cdti
breakdown
And I pick up the phone,
no-one
And am far too far
fast for sampling
Just spend my time avoiding
High tension line, step
down
Life is nothing more than a
disposable
Facial tissue in a brass bin
and spawn
Take it out, I notice
face imprint
And please excuse my words,
I'm wandering
High tension line, step down
