Hilary

Wheres the sixty quid you borrowed off me for the
gas?

I wont give you a kiss

Hilary

Hey hilary

New faces on saturday at six

Brought you back to me

Hilary

Im sure it was you in the new audi

Outside sainsburys

Hilary

Remember when you needed three caps of speed

To get out of bed

And now you're on ecstasy

Hilary

With your daft african pop

And that wine you call bulls blood

Hilary

I thank the lord that you still don't live next to me
