I?ve sold my car, thrown in my job, I?m 34 years old
I think it?s time I saw the world, and not australia
I?ve sold my car thrown in my job I?m 34 years old
I think it?s time I saw the world coz I hate the cold and rain and grey
I?m going to spain
Cousin norman had a real fine time last year
He said it doesn?t rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language
And the factory floor presented me with some tapes of elton john
I hope it might keep me company but I hate the goo- goo-goo-goodbyes
Coz I?m going to spain
Cousin norman had a real fine time last year
I hear it doesn?t rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language yeah
My mother cried last friday night
When I said that I?ll be gone
She packed it up, and then cashed in her premium bonds
And I?m going to spain
Cousin norman had a real fine time last year
They say it doesn?t rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language
I?m going to spain
I?m going to spain
Better rate culture there boy
I?m going to spain
Cousin norman had a real fine time last year
They say it doesn?t rain
I hope I can quickly learn the language-eh
