Got no place to go I?m tired of walking
Up and down the street all by myself
No love left for me to give I try and
try But no one wants me the way I am
Why should I pretend I like
To roam from door to door Maybe I?ll just
kill myself I just don?t care no more
Because I?m not satisfied
Everything I?ve tried I don?t like the way
Life has been abusing me
Who would care if I was gone? I
never met no one who?d care if I was dead and
gone
Who needs me to care for them? Nobody needs
me
Why should I just hang around? Why should I just sit
and watch
While the others smile? I just wish that
someone cared
If I was happy for a while
Because I?m not satisfied
Everything I?ve tried I don?t like the way
Life has been abusing me
