You try and change it
You try and arrange it
You try and shape it
But it's immortality, yeah!
It's immortality
You cannot change it
Or rearrange it!
It's immortality
Immortality
Immortality
That's where you're at, dear
You're shedding your mentality
But it's immortality
And you cannot buy it
You cannot put it in your pocket book
You cannot put it in your bci
Don't try and shape it
Cos it's immortality!
It's immortality, yeah!
Immortality, yeah!
It's where you're at, yeah!
Immortality
Immortality
The viking gods had it
[lord/nord] odin had it
Don't try and change it
Don't try and put it in your pock-book-et!
It's immortality!
It's immortality, yeah!
And you cannot change it
And you cannot rearrange it
And you cannot shape it
Cos it's reality, yeah!
It's immortality, yeah!
You cannot buy it
And that's all you're gonna get
From immortality
Immortality
