In myA dwarf plays pool to prove his height  
People play games when they lose in life  
There?s no sport life, just acid tension stomach flash.  
The madness in my areal have seen the birth of bad  
I have seen declining tracksI have seen the madness in my areal understand time till I?  
m asked about itDays cross-check, years become a tick  
Can?t remember who I sacked, just stupid faces looking back  
The madness in my areal have seen the birth of bad  
I have seen declining tracksI have seen the madness in my area  
And former friends suck on the fallGenuine white crap article  
Your future cries of broken painAre idiot victims  
Just adds to the madness in my areal have seen the wooo woool  
have seen declining tracksI have seen the madness in my area  
You?ve got comic fools in full bloomMccarthy reincarnate soon  
See the bones of the two-late facesThe me generation  
See the traces ofThe madness in my areal have seen the birth of bad  
I have seen declining tracksI have seen the madness in my areal have seen the madness in my areal  
In the writerIn the fighterIn the mirrorIn the ?77 shit pile  
The doppelgangerThe new satire [boozed satyr? ]Blood and sand  
Your highs are contrivedThe bands are getting too contrived, recent  
Your audience is not even decent
