industrial estate Yeah, yeah, industrial estate Yeah,
yeah, industrial estate Well you started here to earn
your pay Clean neck and ears on your first day Well we
tap one another as you walk in the gate And we'd build
a canteen but we haven't got much space Yeah, yeah,
industrial estate And the crap in the air will fuck up your
face Yeah, yeah, industrial estate Boss can bloody take
most of your wage And if you get a bit of depression Ask
the doctor for some valium Yeah, yeah, industrial
