It's a curse Well thy forsooth Who is that interesting
hack over there? By gad, verily Cracked
curse Disliked Burdened It's a curse And am not unguilty
of using it You, your tone is.... You tone of
everybody Trying to bolt out of Trying to get
over Operation mind fuck I do not like your tone. It has
ephemeral whinging* aspects. It's a curse. I am not
unguilty of using it. Waiting for you to f... Trying to get
out of Tryna get out of Waiting They are waiting for you,
bitterly, for you to fall over. It's a curse. Down their long
egg breath Cheap shaving lotion days Their sandwiches
stashed under their side seats Their froglike chins
ready to burst I tell you, it's a curse, it's a
burden Trying to get over bargain vampires In shops I
tell you it's a curse You, you tone is.... Trying to get out
of It's a curse Shafted over It's a curse It's a
burden That's burden Operation mind-fuck Look back
bores Bach and wagner All you really need is a good
schwartz It's a curse Balti and vimto and
spangles** Were always crap, Regardless of the look
back bores. It's a curse. Shafted over. Trying to bolt out
of. Waiting for you. It's a curse.
