My boys take what I say
Do it the studio way
New equipment all clean
New gear
Clothes mean I answer
and take the calls
No trouble with the law
Turn it up for
interviewers
Oh yeah prime movers
I wonder what is
next year's thing?
Crash smash crash ring
They've got
another side
Pop heroes of the mind
While you suckers
queue or work
Money for us and play it up
We have
never sold out
Spent hours on a clever act
Phoney
advertising quotes that make you buy
some raise your
hopes
That it's the new leather thing
Crash smash crash
ring
The broken backs of the real bands
A million closed
minds
Weep for the old glam
Year of the average
man
The worst died because of you
Along with some
others too
Erasing off our rainbows
We are men, we
have big toes!
It's the new leather thing
Crash smash
crash ring
Houdini believed his tricks
That is why he
died
Oh I'm not coming out
There may be a film on
tonight
Or eliot's untouchables
As for new hotels
Look
like science fiction films or revival gothic
pigs
will
Watch
the skies, what to think
Crash smash crash
ring
[bramah:] rocket! / rock it!
It's the new leather
thing
Ba ba ba doo.....
New leather thing
Yow!
