"Jungle Rock"

I was walking through the jungle just the other night
When I heard a big rumble and I thought it was a fight
I lost all volition and began to move my feet
It was a jungle drummer doing a knock down beat
It was a jungle jungle jungle jungle rock
Jungle jungle jungle jungle rock
Jungle jungle jungle jungle rock
Jungle jungle jungle jungle rock
A knock down beat and a chucked down set
It was a jungle jungle jungle jungle rock
Well I moved a little closer just to get a better view
I saw a chimp and a monkey getting in a taxi queue
A hippo jurassic park well do it on the hop
Well the big big bounce was making me hop
It was a jungle jungle jungle jungle rock
Jungle jungle jungle jungle rock
Jungle jungle jungle jungle rock
Jungle jungle jungle jungle rock
And a knock down beat with a hip hop on my feet
It was a jungle jungle jungle jungle rock
And the fox grabbed the rabbit and they did the bunny
hug
And all the beasts standing were cutting a rug
And the camel was talking to a special contributor
And the elephant and the monkey did the ring dang do
It was a jungle jungle jungle jungle rock
Jungle jungle jungle jungle rock
Jungle jungle jungle jungle rock
Shot down beat and a hip hop on my feet
It was a jungle jungle jungle jungle rock
I was walking through the jungle just the other night
And the blues songs were pumping it white
