"Just Waiting"

Pensioner's waiting for leap year to come
And the young singer's waiting to sing
And there's a gardener
outside a big estate
Waiting for the grass to turn
green
The drunk is waiting for an easy mark
The hitchhiker is waiting for a ride
And the prisoner's
waiting for a prison break
And the surfer is waiting for
the tide
Ah just waiting
You know everything comes to a
standstill
Nothing seems to make a turn
Cause the worm's still waitin'
for the early bird
And the early bird's waitin'
for the worm
And nobody wants to do
nothing
Just waiting for a finger in the pie
And waitin'
for a call from a tv show
Or waitin' for an uncle to die
1-2-3
Everybody's waitin' for something
And nothing ever
turns out right
Because the night shift is waiting for the
morning
And the burglar is waiting for the
night
Congregation is waitin' for the vicar
And the vicar
is waitin' for the groom
The groom is waiting for his
new bride
But the bride is waitin' for june
And
everybody is just waitin'
And nobody wants to settle
down
They got their heads in a holo-video
The cretin is
waitin' for u2 to come on mtv again
But the producer is
waiting for the blonde bird
And the blonde girl's waitin'
for him
Nobody wants to do nothing
Just waiting for their
chips and their pie
Waitin' for a call from a big quiz
show
Or waitin' for some rich relation to die
You know
everything comes to a standstill
Nothing ever makes a
turn
And the worm is waitin' for the grass to turn
green
While the early bird is waitin' for the worm
I don't
think I can really stand it no more
I don't think I can go
through it again
I'm just waiting
I'm just waiting
I'm just
waiting
I'm just waiting
Yeah bees are waitin' for
honey
And I'm putting it on the back burner for
now
Cause everybody's racing and fawning and skivin'
And honey I'm waitin' for you
Ah-just waitin'
Ah-just
waitin'
Ah-just waitin'
Ah-just waitin'
