His heart organ was where it should be  
His brain was in his arse  
His hand was well out of his pocket  
His psyche is in the hearth  
Has a sneer which was weird  
Some time ago  
Heard kraftwerk in '81  
Has a wasp synthesizer  
A real male, make-up as well  
Sophisticate  
Wasp synthesizer  
Didn't get far  
In computer teaching job  
His dream girl sings adverts for renoir perfume  
A fancied wit that's mere imitation of d. bowie  
In man who fell to earth  
Whose causes and rags were phoenix-like  
They were vaudevillian-like  
They were comfort blanket-type  
Do-do in fact  
Pho-do in fact  
Photo impact  
He had a weak pisser  
And one night at darts match  
Decadent sandwich quaff  
He showed he was a big fan of double-entendre  
Saw man who fell to earth  
History of the world  
Man who fell to earth  
History of the world, part one  
Twice each at least twice each at least twice each  
Mere pseud mag editor's father
