Ba da ba da ba da ba daaa! Late 20th century was late
and just said yes or no And was mistaken for sarcasm,
even belligerent Now to fight! They're putting me away
but I'll be back someday Putting me away but I'll be
back someday Prisoner for a year and a day Putting me
away but I'll be back someday A bust doorbell sound
and the door broken down A doorbell sound and the
door broken down They rang and rang but I never went
down And now they're putting me away but I'll be back
someday Putting me away but I'll be boo ba ba boo ba
ba bow.. Verse second [peel session: I thought I would
follow a friend Red banner, split end Follow a friend or
some local men I used to drink a bottle of vodka a
day] They rang and rang but I never went down People
ring I never go down All metal walls now I'm sent
down And they're putting me away but I'll be back
someday Putting me away but I'll be back someday And
my night sight's gone but it won't be long I see see
long now it's gone Just two girls and a millionaire And
they're putting me away but I'll be back
someday Putting me away but I'll be boo ba ba..... Put
the heat on Putting me away No sex or records for a
year and a day They're putting me away I've been
bunged up, I've been banged up I've been moved up,
I've been banged up I said ba da ba da ba da
badaaaaa Mes: you make it [...] Riley: that'll be right
then
