Good man, lend a hand
Help me to deal with some
scum
Who are only in their late teens
But I hate their
existence
They think 3 on 1
A normal thing
Network 7
encouraged them
But tonight they picked the wrong
man
Squid lord
Revenge
Vast
Just
His
intelligence
Spreads
[extra verse on peel
session:
Number one squat with grey turnup jeans
Stuck
up white hairstyle
Obviously sheep shag mill town
Squid
lord revenge
Just his intelligence vast
]The second one
is a streak of piss
Leave me alone with him
His
blindness will be fun
But it won't make a
difference
Squid lord
Vast
Just
His intelligence
The third
one stood behind
Held my arms
But in the hospital
His
bed will be in a draught
A geriatric germ-well
I curse his
family and wish them poor
But he'll have time to
dwell
On squid revenge, cooped-up
In 3 months of pure
hell
Squid lord
Vast
Just
His tentacles
Spread
Good man,
lend a hand
Help me clear this mess
Give me back the
law it took from my life
Give me back the pride of my
class
This scum are just a morass
Squid
lord
Revenge
Vast
Just
His intelligence
