"The City Never Sleeps"

Visit "[The City Never Sleeps](#)" on MotoLyrics.com

Old man, young man
Preacher saying amen
Taking up collection
Playing on a bass drum
How come the city it
never sleeps at night
Red cars, blue cars
Payment overdue cars
Cops with indigestion
Billionaires and some
bums
How come the city it
never sleeps at night
How come the city it
never sleeps at night
Short girls, tall girls
Happy that they're all
girls
Walking with some
nice man
Holding hands and then
some
How come the city it
never sleeps at night
Good guys, bad guys
Millionaires and show
guys
Losers with their hands
out
Patients begging
breadcrumb
How come the city it
never sleeps at night
The city it never
sleeps at night
Long night, short
night
Big hellos and
goodbyes
Dreams of conversation
Not a single ho-hum
How come the city it
never sleeps at night
Old man, young man
Preacher saying amen
Taking up collection
Playing on a bass drum
How come the city it
never sleeps at night
It never sleeps at
night
