(Bass)

Wack itt, wack itt, wack itt...

Now this is called the Wack Itt, and I do it all the time  
Choose the wackest, wackest beats, and add the  
wackest, wackest rhymes  
The wacky, wacky, wacky voice, which I really shouldn't  
say, is wacky  
Some people say it's wack, but it's not, it's just cracky  
This is how I do it, some people just can't hack it  
If it's cold outside, then go on and put on a jacket  
But now I'm here to tell you. and we know this for a fact  
This record's just like crack, you know what it is? It's  
wack  
Wack itt

I mean you're goin out the whole nine yards

Now I'm sittin in my room tryin to guess just what to do  
So I decided to get wacky, cause you know, yo, that's  
true  
So we turned on to a track that had to be super wack  
And yo, guess what we came up - somethin like that  
I was really thinkin about some things that make me  
mad  
How could you get a gold record when you sound like  
J.J. Fad?  
I mean come on, let's be for real, I mean I didn't wanna  
say it  
But their shit was so wack, yo, this one I know you'll  
play it  
It's record  
A wacky record

Now just jump up and down, spin your head from left to  
right  
Then just move a little bit, get real close, but not too  
tight  
Let me see you throw your hands up in the air like you  
don't care

And that's called the wackest dance, and we'll call it  
the Underwear  
It's a record  
A wacky record

(Go on, girl)

Now my name is ShantÃ©, not Wanda Wah-Wah  
And I'm here to make a record, and some people say  
I'm a star  
I say: Yeah, I do agree, but you have to think real close  
I mean, when it comes to bein wacky, J.J. Fad, yo,  
they're the most  
It's a wack itt

Wack itt, wack itt, wack itt...

Now if you want a example, let me tell you what makes  
me mad

Did you ever hear Supersonic that was by J.J. Fad?  
Listen close to what I'm sayin, cause it went somethin  
like this

(La-la-la-la-la-la-la...)

Or you can say I missed, I really can't resist  
To come to someone, up to their face. and then give  
them a diss

I do it all the time, everytime I say a rhyme  
People jump, yeah, all on mines, cause you know  
they're out of line

I tell them to step right back, cause you know the  
record's wack

If you do not like the record, yo - I got it like that  
I can make rhymes up just like this

Make the people not wanna resist  
They listen to the beat and start to dance  
And then they start to jump up in their pants

Now I told you how to do the dance  
Get on the floor and take a chance  
Now this is known as a matter of fact  
Yo, stop the track, let's get wack

Wack

Wack

Wack

Wack

( \*as a record is spun backwards\* )

Yo yo

Wait a minute

Wait a minute

My ears

What you're doin, baby  
Stop playin  
Stop  
Stop  
Stop  
My God

Wack itt, wack itt, wack it...  
(Bass)

Ah-ha  
Wack wack

Now sittin in my room tryin to guess just what to do  
So I decided to get wacky, cause you know, yo, that's  
true  
So we turned on to a track that had to be super wack  
And yo, guess what we came up - somethin like that

(Bass)

Now get offa my tip  
Ha-ha-ha-ha  
Now who would believe...  
See this - this here happens to be a fad or a faze or a  
style  
That the party people happen to be going through  
And I'm in this to win this  
And I'm here to get paid, so I figured I might as well  
get wack too  
I mean come on  
They might even tell me that the record is  
DYNAMITE!!!  
Now wasn't that cute  
But anyway  
Wish I get some respect after this one

Wack itt  
Wack itt  
Wacky wack itt  
Wack itt  
Wack itt  
(Bass)
