Wrong place right time I used to think I could do what I  
wanted to Right time for me alone Walk the streets of  
complete full homes Wrong place, but I'm bound To  
stick with what I intend to see through See you, in wrong  
place Right time but there's miles in between I keep on  
knocking but there's no buggers in I have to sing gothic,  
boo hoo See me, a new reign A new reign not to be  
forgotten Right place, right time Right time and Britain is  
mine That day, on way And all peasants will know  
Oranž Peasants smile: big shine Very happy under rule of  
Oranž You can whine under rule of Oranž Mike Clarke: sez  
I bastard He is deranged, I am William of Oranž Go  
insane in Holland! I can't wait to taste anthrax turf  
again Big Wren: homage Oranž I an Oranž I have paid  
dues to the one Who's #1 in heaven As in heaven so in  
Britain (by Oranž I am Oranž I am one) Can't dance can't  
sing Cursed forever is William of Oranž Can't dance can't  
sing Cursed forever is William of Oranž Can't dance  
can't sing Cursed forever is William of Oranž Can't  
dance can't sing Cursed forever is William of  
Oranž Cursed forever is William of Oranž Cursed forever  
is William of Oranž Cursed forever is William of  
Oranž Cursed forever is William of Oranž
