I'm in love with the Carrier Bag Man
I love the Carrier Bag Man X2
Carrier bags strewn all around the room
Ah, the Carrier Bag Man-- I am him
Coz I am the Carrier Bag Man -- I am the carrier bag
man
I've no time to sit comfortable down
But I still need armchairs round my home
To put carrier bags on
I am the Carrier Bag Man
Carry a bag man!
I don't make waves, I hide bags in graves
No cash is earned straight nowadays anyways
Please all you onlookers understand
So make gangway for Carrier Bag Man
I am Carrier Bag Man
[megaphone rant]
When in town I keep head down
Kneel on the croft when the mariah comes round
Fat-assed workmen, I scurry around
There's few good places to hide bags behind
Coz I am Carrier Bag Man.
Carry a bag man!
