All that is gone is shredded by the auto-man

The glass ceiling it did shake and then it did undulate

Don't take the pizza off me

Slumber I told yer

Don't take the pizza off me

Birmingham nonsense from city there once was bronze

QED each day

QED is quid each day

Don't take the pizza off me

Don't take it...

Your brain splits each day from information anxiety

From me pinch I cringe

You dopey randy acid clone

Don't take the pizza off me

Slash fat cats

See vamp watch out

Get rid of straight away

Don't take the pizza off me

Don't pick up mind track
