I can't seem to plug myself in
Plug myself in
Fuck off
The glasses are broken
I don't want to know
Fix them
Do me a favour cut your lip and shut up
Everybody but myself
Everybody but myself
Everybody but myself
Everybody but myself
Everybody but myself
Everybody but myself
Myself
Everybody but myself
Myself
Myself
I can't double dare
Everybody but myself
Everybody but myself
Everybody but myself
Infant transfiguration
Everybody but myself
Everybody but myself
Everybody but myself
Transfiguration
Everybody but myself
Everybody but myself
Everybody but myself
