Got eighteen months for espionage  
Too much brandy for breakfast  
And people tend to let you down  
It's a swine.  
Fantastic life  
No penicillin to [eastern Great] Britain  
And one thing I have found  
What you cast out will hit back  
And a man of pride has to deny his  
Fantastic life  
Ours is not to look back  
Ours is to continue the crack  
Met a fifty-four year old dustbin man  
And four years he'd been in Jerusalem  
Sell surplus oil to Arab fighters for aircraft.  
Fails to burn Jewish terrorists  
Well it's a little..  
Fantastic life  
Spells too easy to buy nowadays  
And there's interference with the mail  
And you just can't get out the words  
Some people think if they had a job they'd be well  
Hell!  
A fantastic lie!  
The Siberian mushroom Santa  
Was in fact Rasputin's brother  
And he gets to walk round Whitechapel  
To further the religion of forgive, sin, and murder  
Fantastic lie!  
The white bread prole [big head]  
He said he had a barney on Corporation Street  
He said he told the policeman what he really thought  
But knowing him I don't believe that crap  
A Fantastic lie  
And I just thought I'd tell you  
And I just thought I'd tell you  
About fantastic life  
And I just thought I'd tell you  
Some fantastic lies  
And I just thought I'd tell you  
And I just thought I'd tell you  
I walked right round Wakefield Jail

A fantastic life  
And I just thought I'd tell you  
And I just thought I'd tell you
