My face is slack
And kidneys burn
In the small of my back
Will never learn
Well I'm not going back
To the slow life
Because every step is a drag
And pieces of kite
Of materials you never catch
Come up for a snatch
Up from hell
Once in a while
Cause I am Jack
From a burning ring
My face is slack
And I think think think
I just think think think
Too fast to write
Too fast to work
Just burn burn burn
I sat and drank
While my dreams decay
I'm 45
Cause I am Jack
From a burning ring
And my face is slack
And I think think think
I just drink drink drink
Too fast to write
Too fast to work
I just burn burn burn
I eat hot dogs
I live on pies
I'm 45
Cause I am Jack
And I think think think
Just think think think
Too fast to write
Too fast to work
Just burn burn burn
And put down left-wing tirades
and the musical trade

End free trade
I say eat this grenade
Gonna eat this grenade
Cause I am Jack
Some man from the docks
They are smart
Their brains are half
They never end
Just follow trends
But I am Jack
From a burning ring
My face is slack
And I think think think
Just think think think
Too fast to write
Too fast to work
I just burn burn burn
I am Jack
And put down left-wing tirades
and the musical trade
End all free trade
I said eat this grenade
I said eat this grenade
End all free trade
I said eat this grenade
