Hillary
Where's the sixty quid you borrowed off me
for the gas? I will give you a kiss
Hillary
Hey Hillary
'New Faces' on Saturday at six
Brought you back to me
Hillary
I'm sure it was you in the new Audi
Outside Sainsbury's
Hillary
Remember when you needed three caps of speed
To get out of bed
And now you're on ecstasy
Hillary
With your daft African pop
And that wine you call bull's blood
Hillary
I thank the lord that you still don't live next to me
Hillary
