I'm a Mummy
I scare people
Look what happens when I walk up to somebody
I'm a Mummy
I was born one thousand nine hundred and fifty nine
years ago
Look what happens when I walk up to somebody
I don't try to scare people
I really came back to meet Paul McCartney
But people run from me
Watch what happens when I walk up to somebody
I wish there was someone somewhere that wasn't
scared of me
I'm a Mummy
Hide quick a Mummy
Watch what happens when I walk up to somebody
Aaaah!
I don't try to scare people
But look what happens when I walk up to somebody
I'm a Mummy
Skinny Mummy
You don't scare me
What's happening here?
You're not mad enough
Skinny Mummy
I'm a fifth element
My daddy was a mummy too
They were born one thousand and sixty six nine
hundred years ago
But look what happens when I walk up to somebody
Mercy
I'm outta here
