Ive sold my car, thrown in my job, Im 34 years old
I think its time I saw the world, and not australia
Ive sold my car thrown in my job Im 34 years old
I think its time I saw the world coz I hate the cold and
rain and grey

Im going to spain
Cousin norman had a real fine time last year
He said it doesnt rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language

And the factory floor presented me with some tapes of
elton john
I hope it might keep me company but I hate the goo-
goo-goo-goodbyes
Coz Im going to spain
Cousin norman had a real fine time last year
I hear it doesnt rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language yeah

My mother cried last friday night
When I said that Ill be gone
She packed it up, and then cashed in her premium
bonds
And Im going to spain
Cousin norman had a real fine time last year
They say it doesnt rain
I hope I can quickly learn the language yeah
I hope I can quickly learn the language

Im going to spain
Im going to spain

Better rate culture there boy

Im going to spain
Cousin norman had a real fine time last year
They say it doesnt rain
I hope I can quickly learn the language-eh
