[Lil' Mo] Yeaaaaaaaaaaaaayyyyy!!!

[Angie M] Oh yeah yeah

[Lil' Mo] Yeaaaaaaaaaaaaayyyyy!!!

[Angie M] Uh, woo! come on, uh

[Lil' Mo] If I can go, with you

[Angie M] Yo, yo, uh

[Verse 1: Angie Martinez]

If I can chose a place to go it gotta be far away

From here we could crossover like Hardaway

Somewhere outside the states, where tommorow's like today

And I'm out in a space where nobody else can stay

And, if I can go, with you

Then I'll go get the ticket right now if that's cool

Have you ever been close to feelin like leavin the coast too

Feelin like leavin with somebody who

Hold you the right way while watchin the night fade

Make you feel like you right back in the ninth grade

When you know what he likes and what he might say

And you try to be calm and answer in nice ways

And, if I can go, with you

Way out the states no 2-ways and no page

No cells and no trace, and you just a phone call away

So all I got to say is

[Chorus: Lil' Mo]

If I can go, contigo, I'll pack my things, soon as you say

Baby vamos, we'll fly away, like there is no, no tomorrow

If can go, contigo, I'll tell my friends, nothing at all

I'll get my things, soon as you say, baby vamos, we'll fly away

[Verse 2: Sacario]

And, if I can go, with you

Oh boy we 'bout to make a lot of people annoyed

In Croix, you better know I know how to sneak with them toys

Employed, with the block since around 94 boy

And, if I can flow, with you  
Holdin dat dough after the studio I roll with you  
I send Dutch and three other goons to go get you  
Sacario the name awaits the whole issue  
Grown men keep on cryin get mo' tissue  
The way me and this girl be rhymin it's so official  
Them I'm takin a trip too with no pistols  
Cause everything peace only sand no streets  
Little Miami Heat, that's the plan we'll see  
Two cups, one in Senado one in Sand Beach  
And, I'll think I'll go, with you  
So tell the station you need a week - back to you

[Chorus: Lil' Mo]

If I can go, contigo, I'll pack my things, soon as you say  
Baby vamos, we'll fly away, like there is no, no  
tomorrow  
If I can go, contigo, I'll tell my friends, nothing at all  
I'll get my things, soon as you say, baby vamos, we'll  
fly away

[Bridge: Lil' Mo]

You can fly away, no one has to know  
Babe take me with you, cause if I can go  
Soon as you say the word, we'll be on our way  
To a foreign place, you got to tell me

[Angie Martinez]

Yo, uh, so now that we got a plan are you comin? We  
could plan a week  
The only question now is LaGuardia or Kennedy?

[Sacario]

And a seat, know why? the window cause I like to see  
And seein as to how I'm so fly me and the clouds can  
speak

[Angie+S] And, since we 'bout to go, in a few

[Sacario] Go 'head

[Angie Martinez]

Oh, I just wanted to tell Trace thank you  
That week off I'm grateful what was you tryin to say  
boo?

[Sacario] Nuttin just grab my chain off the table and 2  
way too

[Angie Martinez]

Ok, that little place it's a great move  
But ain't no problems, unless the water don't stay blue

[Sacario] And the shop's there?

[Angie Martinez]

If they don't got em, they don't make em (Sacario:  
True!)

No concrete just sand, throw away your shoes

Now, that we are on, our way

And our bags is packed and the car service is not late

Everything's ok, so I guess I catch you on the next track

Now I don't gotta ask

[Chorus: Lil' Mo]

If I can go, contigo, I'll pack my things, soon as you say  
Baby vamos, we'll fly away, like there is no, no  
tomorrow

If I can go, contigo, I'll tell my friends, nothing at all  
I'll get my things, soon as you say, baby vamos, we'll  
fly away

[Outro: Lil' Mo]

If I can go, contigo, I'll pack my things, soon as you say  
Baby vamos, we'll fly way, like there is no, no tomorrow

And if I can go, contigo, I'll tell my friends, nothing at  
all

Nothing at all, I'll tell my friends, nothing at all
