I've sold my car, thrown in my job, I'm 34 years old  
I think it's time I saw the world, and not Australia  
I've sold my car thrown in my job I'm 34 years old  
I think it's time I saw the world coz I hate the cold and  
rain and grey  
I'm going to Spain  
Cousin Norman had a real fine time last year  
He said it doesn't rain  
I hope I can quickly learn the language yeah  
I hope I can quickly learn the language  
And the factory floor presented me with some tapes of  
Elton John  
I hope it might keep me company but I hate the goo-  
goo-goo-goodbyes  
Coz I'm going to Spain  
Cousin Norman had a real fine time last year  
I hear it doesn't rain  
I hope I can quickly learn the language yeah  
I hope I can quickly learn the language yeah  
My mother cried last Friday night  
When I said that I'll be gone  
She packed it up, and then cashed in her premium  
bonds  
And I'm going to Spain  
Cousin Norman had a real fine time last year  
They say it doesn't rain  
I hope I can quickly learn the language yeah  
I hope I can quickly learn the language  
I'm going to Spain  
I'm going to Spain  
Better rate culture there boy  
I'm going to Spain  
Cousin Norman had a real fine time last year  
They say it doesn't rain  
I hope I can quickly learn the language-eh
