We're lost in music, caught in a trap  
No turnin' back, we're lost in music  
We're lost in music, feel so alive  
I quit my 9 to 5, we're lost in music

Have you ever seen some people lose everything?  
First to go is their mind, huh  
Responsibility to me is a tragedy  
I'll get a job some other time, uh, huh

I want to join a band and play in front of crazy fans  
Yes, I call that temptation  
Give me the melody, that's all that I ever need  
The music is my salvation

We're lost in music, caught in a trap  
No turnin' back, we're lost in music  
We're lost in music, feel so alive  
I quit my 9 to 5, we're lost in music

Mmm, hmm, in spotlight the band plays so very tight  
Each and every night, uh, huh  
It's not vanity to me, it's my sanity  
I could never survive

Some people ask me, what are you gonna be?  
Why don't you go get a job? Uh, uh  
All that I could say, I won't give up my music  
Not me, not now, no way, no how, oh, oh

We're lost in music, caught in a trap, caught up in our  
music  
No turnin' back, ooh, ooh, ooh, we're lost in music

We're lost in music, don't take our away our music  
Feel so alive, feel  
I quit, I quit my 9 to 5, yeah  
We're lost in music

We're lost in music, melody is good to me  
Caught in a trap, I'm caught up in it  
No turnin' back, no, no, no

We're lost in music, ooh, doo, doo, doo, doo, doo,  
doo

We're lost in music, da, da, da, da, da, da, da
