Everything you see you want
Go to clubs
A middle class revolt
Put it down, put it down

He wants Homestyle
Sublimates the envy to C2s
Bump into each other and jolts D2s, D1s
Bump into each other and jolt
A middle class revolt

Calorific, a middle class revolt
A middle class revolt
Everything you see
Middle class revolt

Go to clubs
Crashing into C2s
Middle class revolt
Middle class revolt
A middle class revolt

A man, extremely lazy
Exhumes the cooked pigeon
His words indignant
Because it was cooked wrong

A middle class revolt
A middle class revolt
A middle class revolt
