[spoken to audience] We're not doing that one either  
Get that spot  
Put it in the pot for me  
Cos I'm Muzorewi's daughter  
I was Muzorewi's daughter  
I've been in the pot too long  
Too hot in the pot too long  
I'm Muzorewi's daughter  
African [call love]  
[Got two laws love]  
I'm Muzorewi's daughter  
Left wing hot properties  
Out on the closet [sanshee]  
She was  
Muzorewi's daughter [X4]  
The trees are reached with evil scenes for me  
Cos I'm Muzorewi's daughter  
African [call love]  
[Get two laws love]  
I'm too long in the pot  
I'm too long in the mouth  
I'm too long in the mitts  
I'm too long in the tits  
I'm Muzorewi's daughter
