The man who's head expanded. Knew: a) Who stole
cafe collection
box. b) Stupid facade behind Jurgen. d) Who wore a red
scarf to
remind him of his fiancée. e) The love of Paris, infects
the
civil service lichen on the North. It was the time of the
Giant
Moths in the neighborhood of infinity.
I used to have this thing about Link Wray. I used to play
him
every saturday. God Bless Saturday! God Bless
Saturday!
WE ARE THE FALL! IN THE NEIGHBORHOOD OF
INFINITY!
It was the time of the Giant Moths.
It happens. It happens. Instincts lost. It happens. Lost
through purple blossoms. It happens. The desire will
turn rotten.
WE ARE THE FALL! IN THE NEIGHBORHOOD OF
INFINITY!
