When I first met you  
You didn't go anywhere  
'Cept for the drama corporation  
Of co-op theater

Skirting from a course  
Bovver boots on  
Vacuum breath equals  
We never close

But one day you'll find out  
That you lost a good man  
And one day you'll wake up  
And find you've lost a good man

Transparent or not  
You'll never see my like again  
I'm talking about me  
No malice so transparent

When he walks  
When he walks again  
All reduced to cost-price  
Manual for deceit

Indiscriminate take out  
Indiscriminate give out  
We never close  
Never ever close

You're a snake pit  
And one of these days you'll find out  
That you've lost a good man  
One of these days you'll wake up  
And find you've lost a good man

And one of these days you'll turn around  
And find you've lost a good man  
And one day you wake up  
And find you've lost a good man
