Hosannah
First impressions...
Hosannah
Papal did visit, human trash
Waste
Prostrate, yellow-white umbrellas
Roam around
Universal love..for them...for the...
Papal visit
Human trash roam the town
Woke up by hosannah
Helicopters strip the land
First impressions will be the last
Woke up at 2
The man from iron
What happened to the man from iron
Mediator one
Human trash
Come for the visit
Eating lay bread
From what they come to call it
Sound like a yokel
For the first time
First impression will be the last
[Pope stuff continues....]
Peace resounds
Lay bread
Is in the nose and mouth
For the first time
In the assassin line
Papal visit
In the town
For the first time
Understood the assassin line
Is all around
