At Pearl City
Pearl City
No one knows and no one cares
About your world of stocks and shares

I don't need no riding crop
I don't need no round about stop

You're welcome to Pearl City

See the bank
Bright white trains
You old coots
Retired early

At Pearl City
At Pearl City

Cappuccino and a slice of quiche
It's salad for the new educated, teach
Everything is gonna work out fine
They're sleepin' us in the lec, lecturer line

At Pearl City
In Pearl City

Ye over counter drugs
Have left you totally bushwhacked

In Pearl City

We asked Vauxhall drivers
What they wanted from a garage
Did ya? Did ya?
At service center on the rock

At Pearl City

I don't need a bird beggin' at my knees
I don't need no riding crop
I don't need no roundabout stop

Are you on the ball?
