Spit on the streets  
[Your heads and teeth]  
Got nowhere to go  
other than shows  
Could never love  
And the Psycho-Mafia  
I'm talking about love  
Psycho-Mafia  
No soul in discos  
No rock in the clubs  
Bullheads in the pubs  
And the city jobs  
Could never love  
And the Psycho-Mafia  
Could never love  
Psycho-Mafia  
Psycho-Mafia  
Psycho-Mafia  
'cho Mafia  
'cho Mafia  
Spit in the streets  
[your heads and teeth]  
Our eyes are red  
Our brains are dead  
Going on about drugs  
Psycho-Mafia  
Could never love  
Psycho-Mafia
