

Fall "That Man"

That man loves you
That man cares for you
That man loves a heathen
That man loves you
He came down from Accrington
He came down from Hovis land
And
He washed the dirt from my eyes
All devils are exorcised
And sticky pants are ostracised
Summers with trad-jest guise
Screaming
That man loves you
That man cares for you
That man loves a heathen
That man loves you
You see, can't be holy
All you see can't be holy
All you see can't be holy
[backing vocals] That man loves you
He really do
