You keep reading me
The Book of Lies
You keep reading me
The Book of Lies

And you keep giving me
And you keep reading me
The Book of Lies
The Book of Lies
Book of lies

You keep telling me
Book of Lies
Book of Lies
Book of Lies
Book of Lies
The Book of Lies

You keep reading me
The Book of Lies

I don't like what I'm doing to you
You don't like what you're doing to me
Don't make me cry
The Book of Lies
The Book of Lies
The Book of Lies

You don't listen to anything I say
Or do anything you promised to do
So why should I? So why should I?
The Book of Lies
The Book of Lies

You keep reading me
The Book of Lies
You keep reading me
The Book of Lies

You don't listen to anything I say
Or do anything you promised to say
So why should I?

Listen to, subject to
Book of Lies
The Book of Lies

You keep reading me
Book of Lies
Book of Lies
The Book of Lies
The Book of Lies

You keep reading me
And you keep telling me
The Book of Lies
