Go back go back
to your disease-[WHUP!]-control room
Don't be don't be
nice about it
just spit it back
Why don't why don't
why don't you be mature about it
in your grey raincoat
[Half full], one up
the joke
Violent food
descends over you
huh
[Half full], one up
the joke
One up, [half full]
the joke
The joke
five years in a PC camp
Multicoloured sweets
in bottom of white sweet pack
The realization burns into my back
The joke
five years in a PC camp
The joke
Violent food
descends over you
The joke
The joke
five years in a PC camp
The joke
five years in a PC camp
The joke
Five years in a PC camp
