A two-face  
That's what they call me  
They call me a two-face

A two-face  
That's what they call me  
They call me a two-face

A two-face  
Boat-race, disgraced  
His face displaced again  
Into two dimensions  
Into two directions

A two-face  
Boat-race, displaced  
My face disgraced again  
Into the dimensions  
Into two directions

Nowhere for him to go  
Nowhere for him to go

That's what they call me  
They call me a two-face

A two-face  
That's what they call me  
They call me a two-face

A two-face  
Boat-race, disgraced his face  
Displaced again  
Into two dimensions  
Into two directions

A two-face  
Boat-race, displaced his face  
Disgraced  
Into two dimensions  
Into two directions

Origin horrible

A two-face  
Boat race disgraced  
His face displaced again  
Into two dimensions  
Into two directions  
For all  
For all to see

He thinks at dawn  
He acts at noon  
He stays alone  
And in the evening

A two-face  
Both ways, disgraced  
His face displaced again  
Into two directions  
Into two dimensions

Left-side, horrible

A two-face  
Boat race, disgraced  
His face displaced again  
Into two directions  
Into two dimensions  
Into two directions  
Into two dimensions

A two-face  
That's what they call me  
They call me a two-face

A two-face  
That's what they call me  
They call me a two-face

A two-face  
Both ways disgraced  
His face displaced again  
Into two directions  
Into two dimensions
