Can you hear me now, I'm screaming my lungs out
Can you hear me now, I'm screaming out your name
Say goodbye tonight
Is just a dream, look past the unknown scene wake up
darling.
Wake up

It's been so long, Since you've been gone
I've been trying to find my way out of here
What's it like to me away from here Take it all and
disappear
Is it any better in 7 years
Away from the lies and tears All will fall
I'm here to chase all your fears

I'm sorry it's been so long
I'm sorry since I've been gone
I'm sorry it's been so long So you think that you have
had enough
I'm sorry since I've been gone I don't think you've had
enough
I'm sorry it's been so long So you think that you have
had enough
I'm sorry since I've been gone I don't think you've had
enough

(Random screams)

You say you know everything,
I know that I'm dying to see you again
You say you know everything.
I know that I'm dying to see you again
Can you hear me now, I'm screaming my lungs out
Can you hear me now, I'm screaming out your name
Say goodbye tonight
Is just a dream, look past the unknown scene wake up
darling.
