Apostle Paul was on his way to Damascus
There Jesus appeared before him in a figure of a light
His vision was blinded and he fell to his knees
This is how he felt
NOOO

Don't you think I've Had enough I can't see
I'm wide awake and I see everything what's in front of
me
And everyone for who they are You won't feel
Most are fake, pretend they're someone they're not My
Demise
Don't you think I've had enough Don't
I'm wide awake and I see everything Forgive me
And everyone for who they are I'll fall asleep
Most are fake, pretend they're someone they're not
With the lights on tonight

It's killing me, what you do to me
Memories fade to black
Breathing complicated
It comes back to haunt me (I wonder what he whispers
to you when your)

In his arms,
When your in his arms

So don't stop
I thought this is what you want
I won't always be there waiting for your call
I told you so
You won't break me
I'll leave you all alone
Crying on the floor

So baby do you want to talk? Do you want to talk now?
So baby are you gonna talk? Are you gonna talk now?
So baby do you want to talk? Do you want to talk now?
So baby are you gonna talk? Are you gonna talk now?

Bright light it bury's me
Deep thoughts they comfort me

A promise said should be a promise kept
I'm tired of living life in regret

Don't you forget me
Don't you forget me
(I'm still fucking waiting x3)
For you

So don't stop
I thought this is what you want
I won't always be there waiting for your call
I told you so
You won't break me
I'll leave you all alone
Crying on the floor

So baby do you want to talk? Do you want to talk now?
So baby are you gonna talk? Are you gonna talk now?
So baby do you want to talk? Do you want to talk now?
You soon Will Notice!
So baby are you gonna talk? Are you gonna talk now?
He Will Never Be Me!
