Tell the whole world that I'm tired and empty  
I'll pray for you, just wait for me, you're not alone, It will  
be alright

It all be alright!

Don't play these games, Don't hold back baby  
This is magical, This is wonderful,  
But I don't know why I'm stuck in this mess knowing that  
I can not win

And I can't win  
And I can't win

I want you, (Shes not that perfect)  
But I don't think I'm wrong (Is she worth it)  
But you know that I can't decide  
I need you (Shes not what your use to)  
But I don't think I'm wrong (Is she worth it)  
But you know that I can't decide

Why, Why, Why

Take, take, take, take, take everything  
You want it more, you want it more  
Take, take, take, take, take everything  
Just have it all, Just have it all  
Take, take, take, take, take everything  
You want it more, you want it more  
Take, take, take, take, take everything  
Just have it all

I want you, (Shes not that perfect)  
But I don't think I'm wrong (Is she worth it)  
But you know that I can't decide  
I need you (Shes not what your use to)  
But I don't think I'm wrong (Is she worth it)  
But you know that I can't decide

Someday I'll get to you! You know I'll never forget 4x  
(Somethings I can't get over with, You're like an  
hourglass ticking life away 4x)

Just know it's everything, It's everything that I wanted to  
stay 4x

Don't pretend baby, Somethings I can't restrain 4x

Why, Why, Why

I want you, (Shes not that perfect)

But I don't think I'm wrong (Is she worth it)

But you know that I can't decide

I need you (Shes not what your use to)

But I don't think I'm wrong (Is she worth it)

But you know that I can't decide

Tell the whole world that I'm tired and empty 4x

I'll pray for you, just wait for me, you're not alone, It will  
be alright 6x
