Step by step
I heard my self to run away from in sad
Day by day
I try forget all things that happen to me again
Hatred in me
It's killing me more than anything full of shit
Close your eyes
Remember that there's nothing to fear come back
home

Chorus:
So please just take me far away from this fuckin life,,
And give me a better place to night (before I die)

Reff:
Coming from in sad
To vanish from that all
Back of (stay away from me [2x])
I'm such a hopeless one
I can't remember that
I cried (wife my tears away [2x])

Desperate
Hopeless
Dying
To you
Pain Rage.[2x]
Fom in sad...
