White sands swollen glands
Paris Tokyo New New New York M-M-M-Mexico
Stay plastic woo ooh
Stay tragic woo ooh
Proclamation of emancipation
Oh dear lord, let me into heaven for just an afternoon.

Oh Sam I a,
I can't go to sleep without Ambien
Seem so happy call me mister goodbye
Say catch me if you can, catch me if you can

Let's talk about the scene for a minute
I know we ain't been seen in a minute
We left before a minute now we all love in it
Baby boy if you got the big dreams gonna get it
Never been the type in tight jeans I won't fit in
When I see them scene girls that they all gonna get in
And I'm living clean now while you all walk in it
Notice me but I don't give a damn if you all don't get it
