Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know: you were the last
good thing about this part of town.

When I wake up, I'm willing to take my chances on the
hope I forget
That you hate him more than you notice I wrote this for
you (for you, so...)

You need him. I could be him...
I could be an accident but I'm still trying.
That's more than I can say for him.

Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know: you were the last
good thing about this part of town.

Someday I'll appreciate in value, get off my ass and
call you... {but for} the meantime I'll sport my
Brand new fashion of waking up with pants off at 4:00
in the afternoon.

You need him. I could be him...
I could be an accident but I'm still trying.
That's more than I can say for him.

1-2-3-4!

Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know: you were the last
good thing about this part of town.

(won't find out) he won't find out
(won't find out) he won't find out

Where is your boy tonight? I hope he is a gentleman.
Maybe he won't find out what I know: you were the last
good thing about this part of town.

Where is your boy tonight? I hope he is a gentleman.
(he won't find out)

Maybe he won't find out what I know: you were the last
good thing about this part of town.
