Last year's wishes are this year's apologies
Every last time I come home
I take my last chance
To burn a bridge or two
I only keep myself this sick in the head
'Cause I know how the words get to you (off)

We're the new face of failure
Prettier and younger, but not any better off
Bulletproof loneliness
At best, at best

Me and you
Setting in a honeymoon
If I woke up next to you
If I woke up next to you
[2x]

Collect the bad habits that you couldn't bear to keep
Out of the woods but I love
A tree I used to lay beneath
Kiss teeth, stained red
From a sour bottle baby girl
With eyes the size of baby worlds

We're the new face of failure
Prettier and younger, but not any better off
Bulletproof loneliness
At best, at best

Me and you
Setting in a honeymoon
If I woke up next to you
If I woke up next to you
[2x]

Me and you
Setting in a honeymoon
(honeymoon)
If I woke up next to you
If I woke up next to you

[2x]

The best way to make it through
With hearts and wrists in tact
Is to realize two out of three ain't bad

Me and you
Setting in a honeymoon
If I woke up next to you
If I woke up next to you

Me and you
(Honeymoon)
Setting in a honeymoon
(Honeymoon)
Me and you
Setting in a honeymoon
(Honeymoon)
If I woke up next to you
If I woke up next to you
Me and you
Setting in a honeymoon
(Honeymoon)
If I woke up next to you
(Honeymoon)
