Drink down that Gin and Kerosene,
And come spit on bridges with me,
Just to keep us warm.
And light a match to leave me be.
Light a match to leave me be.
I'll keep my jealousy close,
Cause it's all mine.

And if you say this makes you happy,
Then I'm not the only one that lied.

Keep quiet,
Nothing comes as easy as you.
Can I lay in your bed all day,
I'll be your best kept secret,
And your biggest mistake?
(The hand behind this pen relives a failure everyday)

Keep quiet,
Nothing comes as easy as you.
Can I lay in your bed all day,
I'll be your best kept secret,
And your biggest mistake?
(The hand behind this pen relives a failure everyday)

So wear me like a locket around your throat.
I'll weigh you down.
I'll watch you choke.
You look so good in blue.
You look so good in blue.

So wear me like a locket around your throat.
I'll weigh you down.
I'll watch you choke.
You look so good in blue.
You look so good in blue.

So wear me like a locket around your throat.
