Brothers and sisters put this record down  
Take my advice ('cause we are bad news)  
We will leave you high and dry  
It's not worth the hearing you'll lose

It's just past 8 and I'm feeling young and reckless  
The ribbon on my wrist says, "Do not open before  
Christmas."

We're only liars, but we're the best (we're the best)  
We're only good for the latest trends  
We're only good cause you can have almost famous  
friends  
Besides, we've got such good fashion sense

Brothers and sisters, yeah, put these words down  
Into your notebook (spit lines like these)  
We're friends when you're on your knees  
Make them dance like we were shooting their feet

It's just past 8 and I'm feeling young and reckless  
The ribbon on my wrist says, "Do not open before  
Christmas."

We're only liars, but we're the best (we're the best)  
We're only good for the latest trends  
We're only good cause you can have almost famous  
friends  
Besides, we've got such good fashion sense

We're only liars, but we're the best  
We're only good for the latest trends

We're only liars, but we're the best

friends
