When I'm feeling anxious in my head, he tells me to  
come to him instead  
Come to him when weary (Weary)  
Come to him when low (When low)  
He will lift this burden, this I know (This I know) (Yeah I  
know I say)  
Take my yoke upon you learn from me (Learn from me)  
Take my yoke upon you and you'll see (You'll see)  
(You'll see)  
Come to me I'll strengthen (Strengthen)  
Come to me I'll help (I'll help)  
Come to me I'll still anxiety (Still anxiety)  
So when I find that I have gone astray (When I've gone  
astray)  
I can go to him and he won't send me away (He won't  
sent me away)  
Come to me I'll strengthen (Strengthen)  
Come to me I'll help (I'll help)  
Come to me and listen what I say (Listen to what I say)  
Take my yoke upon you learn from me (Learn from me)  
Take my yoke upon you and you'll see (You'll see)  
Come to me I'll strengthen (Strengthen)  
Come to me I'll help (I'll help)  
Come to me I'll still anxiety (Still anxiety)  
Come (Come), come (Come), oh come (Oh to me)  
You better come to me, you better come to me

Come (Come), come (Come), oh come (Oh to me)  
You better come to me, you better come to me  
Come (Come), come (Come), oh come (Come)

Come (Come), come, come to me (You better come to  
me, better come to me, you better come to me)  
Come (Come), come (Come), come to me (You better  
come to me, better come to me, you better come to  
me)  
Come (Come), come (Come), oh come

When I'm feeling anxious in my head (Anxious in my  
head) (When I'm feeling anxious in my head)  
He tell me to come to Him instead (Better come to him  
instead)

Come to him when weary (Weary)  
Come to him when low (Low)  
He will lift this burden, this I know (Yes I know)  
Take my yoke upon you learn from me (Learn from me)  
Take my yoke upon you and you'll see (You'll see)  
Come to me I'll strengthen (Strengthen)  
Come to me I'll help (I'll help)  
Come to me I'll still anxiety (I'll still anxiety)

Can you help me lord

Come to me I'll strengthen  
Come to me I'll help  
Come to me I'll still anxiety
