Don't ride your bike off a ramp that's more than three  
bricks high  
Don't take that candy from the store if you ain't got the  
dime  
Don't pick a fight with a little guy that doesn't talk that  
much  
Don't pick up a cherrybomb thinkin' it's a dud  
And don't sneak out of a 2 story house usin' bed sheets  
for a rope  
Don't ask me how I know

(Chorus:)

Sell your truck while it's still runnin', save the Jesus off  
the dash  
Say a prayer when you feel like cussin', save your  
money pay with cash  
Forget your pride, buy the roses, if you're sorry tell her  
so  
Don't drink the water in Mexico  
Don't ask me how I know

Don't quit your high school football team halfway  
through the season  
Don't bust your buddy in the nose when you know he  
didn't mean it  
Don't lose a girl you love at home for a night in Panama  
City  
Don't rush off the phone when your Mama calls you  
ain't that busy  
Ya oughta make that drive to say goodbye to your  
grampa 'fore he goes  
Don't ask me how I know

(Chorus)

Forget your pride buy the roses, if you love her tell her  
so,  
Don't go to Vegas with your heart broke,  
Don't bum your cousin for that first smoke  
I'm tellin' ya, don't drink the water in Mexico  
Don't ask me how I know

Don't ask me how I know  
I just know  
Sell your truck while it's still runnin', say a prayer when  
you feel like cussin'  
I know,
